

The ASBIS Group is a leading distributor of Information and Communications Technology products and solutions on EMEA Emerging Markets: Central and Eastern Europe, the Baltic States, Commonwealth of Independent States, Middle East and Africa, combining a broad geographical reach with a wide range of products distributed on a “one-stop-shop” basis.

The Prestigio Solutions™ brand provides high-quality, reliable hardware and software solutions for educational purposes.

The main advantage of the brand is that it provides complex solutions for innovative classroom equipment.

The product portfolio contains:

- well-known MultiBoard interactive whiteboards
- digital signage
- tablets for students
- videoconferencing systems for online teaching
- special software solutions for education and business
- a full range of accessories for these (carts, stands, protective cases etc.).

The brand’s solutions are used in many educational institutions around the world and have European quality certificates.

All MultiBoard interactive panels come with free teaching and learning software.

enabling both teachers and students to interact fully with the board

Windows-based models come with initial licenses for Office 365 and MozaBook.
